ASSISTANT COACH

JOHN KIMBEL

Manton Middle School

John Kimbel has spent the past 20 years as the 8th grade basketball coach at Manton. He helps out with the elementary program, scouting, taking book at games and serves as an assistant coach during varsity games.

John served as an assistant coach when Manton went to the state finals in 1996. He always goes the extra mile to help. John is often the first person there to set up the gym for a tournament, and he is always helping clean up when the day is done.
