### **FRIEND of BASKETBALL**

#### **Duane Keck – Trenton HS**

For 20 years, Duane Keck has done the announcing and has run the clock for both boys and girls basketball at Trenton High School. He also has done the scorekeeping for away games for the last 10 years. Duane assists with all the pregame responsibilities, goes on team camp trips, and helps with all aspects of the game. He volunteers to help with fundraising for the teams too.

When not helping at the school, Keck officiates basketball for the MHSAA and has done this for 28 years.

Coach Rick Morrow says about Duane, “He always encourages players and coaches as well as donating his time and money to help Trenton basketball. He is a great asset.”

Duane is married to his wife Joan and they have one son, Kevin.
