

BCAM'S MONTHLY REPORT

By Tom Hursey – Executive Director – bcamtom@aol.com

AUGUST 2008

TIME TO MOVE: As many of you now know, my wife Tina and I have moved away from Midland to a condo in Okemos. After 40 great years in Midland, we felt it was time to downsize and move closer to family and closer to BCAM events. We will miss the wonderful people of Midland but look forward to getting to know the Lansing area. The biggest change for BCAM members will be a NEW BCAM HOTLINE (517-580-8366 available after August 13). My email address (bcamtom@aol.com) and the BCAM website (www.bcam.org) stays the same.

WEBSITE: Speaking of websites, I hope you have checked out the new BCAM website. I have heard back that it is very user friendly and contains many helpful areas for our members. It is a work in progress and we will continue to update and improve the website to make it even better. If you receive any error messages or see any "bugs" with our new website, please draw those to our attention.

FALL CLINIC: Ed Dutcher has put the finishing touches on the 25th Annual BCAM Clinic. What a lineup! Headlined by Tom Izzo and Hubie Brown, you need to go to www.bcam.org and click on the Clinic button to view the entire clinic information. You will be receiving a clinic brochure and registration form this month. OR you can download a form from the website by clicking on FORMS. Plan now to take the entire staff to this great event. The clinic weekend includes the Hall of Fame Banquet, two coaches parties, many vendors, men's and women's speakers, on-court demonstrations, MHSAA Rules Meeting, MHSAA CAP program and hopefully a Coaches vs Cancer golf outing on Friday morning. The 4 FOR 3 Special (pay for 3 coaches from one school and get a 4th free) will again be available to help cut your costs.

29th ANNUAL ALL STAR FESTIVAL: Another great day of basketball action was witnessed this past Saturday at Brighton HS. 100 of the top seniors put on an exciting show of talent as all four games went down to the final minute before the game was decided.
